- GB (A) Take care not to move the E-Gaslevel while it is attached to the gas tank, this may damage the rubber seal of the E-Gaslevel.
- DE (A) Verschieben Sie den E-Gaslevel-Sensor nicht während er magnetisch am Boden der Gasflasche haftet. Dies könnte die Gummierung des E-Gaslevel-Sensors beschädigen.
- NL (A) Zorg ervoor dat u de E-Gaslevel niet verschuift terwijl deze aan de gastank vastzit, dit kan de rubberen afdichting van de E-Gaslevel beschadigen.
- FR (A) Assurez-vous de ne pas déplacer l'E-Gaslevel lorsqu'il est fixé au réservoir d'essence, cela pourrait endommager le caoutchouc d'E-Gaslevel.
- SE (A) Se till att du inte flyttar på E-Gaslevel medan den sitter fast på gastanken, eftersom detta kan skada E-Gaslevels gummipackning.
- NO (A) Pass på at du ikke flytter på E-Gaslevel mens den er festet til gassbeholderen, da dette kan skade gummipakningen på E-Gaslevel.
- DK (A) Sørg for ikke at flytte E-Gaslevel, mens den sidder fast på gastanken, da dette kan beskadige E-Gaslevels gummipakning.
- FI (A) Varmista, ettet siirrä E-Gaslevel-laitetta, kun se on kiinnitetty kaasusäiliöön, sillä se voi vahingoittaa laitteen kumitiivistettä.
- IT (A) Assicurarsi di non spostare l'E-Gaslevel mentre è fissato alla bombola del gas, poiché ciò potrebbe danneggiare la guarnizione in gomma dell'E-Gaslevel.
- ES (A) Asegúrese de no mover el E-Gaslevel mientras esté fijado al depósito de gas, ya que esto podría dañar la junta de goma del E-Gaslevel.
- PL (A) Należy uważać, aby nie przesuwac czujnika E-Gaslevel, gdy jest on zamocowany do zbiornika gazu, ponieważ może to spowodować uszkodzenie gumowej uszczelki czujnika.
